

ARTIFICIAL INTELLIGENCE ASSESSMENT SCALE (AIAS)

1

AI-FREE ZONE

Show us what you know - not the AI!

No AI can be used for any part of this activity

2

AI PLANNER

Use AI to help you plan, brainstorm your ideas, and research new information.

Make sure to check that the AI output is true!

3

AI PARTNER

Use AI to help you complete your work. This might mean coming up with ideas, writing a draft, and helping you improve your work.

Remember, don't just submit something that is fully AI-created!

4

FULL AI

You can use AI for any part of your work. It's up to you how you do this!

Include two things with your final work: how you've included your own thinking AND how you've used the AI tool to help you

5

AI EXPLORER

Imagine what wild ideas AI could come up with?

Use AI to creatively solve a problem in a whole new way.
